

INTERNSHIP - SAN ANTONIO & AUSTIN

We appreciate the dose of fresh enthusiasm and skill set that student interns bring to Lake|Flato. Generally four to six positions are offered to talented and motivated students throughout the year. These paid positions range from a minimum of six months to a maximum of a year and are open to architecture students and recent architecture school graduates. The goal of our internship program is to integrate students as much as possible into the practice of architecture. Student interns assist project teams and may gain experience with schematic design, virtual and physical model making, construction documents in Revit, etcetera. While we do informally train interns, the more skills he or she initially brings to the table, the quicker we can integrate their skills into specific projects.

Required Qualifications:

- 3D modeling experience with Revit and SketchUp
- Excellent oral, written and graphic communication skills
- Digital graphic skills, including familiarity with software such as Adobe Creative Suite
- Ability to sketch and draw by hand
- Interest in sustainable design and the craft of construction and contextual design
- Highly motivated and able to work both self-directed and in interdisciplinary teams in a fast paced and energetic environment

Application:

To be considered for a student internship position, please submit the following to **internship@lakeflato.com**:

- Digital Portfolio (10MB max)
- Resume & Cover Letter
- Your availability dates for interning (minimum 6-month commitment)

Please visit our website at www.lakeflato.com for more information on our firm, our culture and our people. Upon receipt, we will review and contact you should your qualifications meet our staffing needs. No phone calls, please.
